pastured eggs, meat and seasonal produce direct from the farmer

BULK PORK ORDER FORM

DATE: _____

NAME: _____ PH: _____

ADDRESS: _____

EMAIL ADDRESS: _____

Our rare heritage breed Berkshire pigs live a truly stress free life producing the most tender, moist and flavourful pork. Our pigs are raised on pasture where they are able to exhibit natural behaviours such as foraging, making wallows and building their own farrowing nests. We do not use any hormones or chemicals on our farm and the pigs graze on a mix of pasture and a grain ration that contains no meat meal, blood meal or GMOs.

Berkshires are renowned for their intramuscular marbling which produces pork that has a superior flavour and tenderness compared to conventional pig breeds. Our popular bulk packs include a range of cuts and are undoubtedly the best value for money.

To secure your pack, complete and send this form to info@frecklefarm.com.au. We do request a \$50 deposit at time of order to secure your pack with the final amount to be paid at pick up. We will contact you closer to the date your pack will be ready for collection from our stall at the Greater Whitsunday Farmers Markets, Blue Water Quay Mackay or from the farm.
