Freckle Farm pork is recognised as among the best tasting pork in the country. We have been awarded a SILVER MEDAL at the 2017 Australian Food Awards in Melbourne, scoring well ahead of most competitors for flavour and tenderness. Our rare heritage breed Berkshire pigs live a truly stress-free life and are raised on pasture where they forage, make wallows and build their own farrowing nests. We do not use any hormones or chemicals on our farm and the pigs graze on a mixture of pasture and a grain ration that contains no meat meal, blood meal or GMOs. Customers regularly tell us that our pork is the best they have ever eaten!
